

MAINE AFFORDABLE HOUSING COALITION

2019-20 MEMBERSHIP INFORMATION

About MAHC:

MAHC is a diverse coalition of more than 135 developers, public housing authorities, contractors, design/engineering professionals, investors, housing and service providers, advocates and others working to increase and improve the supply of quality, affordable housing throughout Maine.

MAHC serves as Maine's lead agency to the New England Housing Network and as the National Low-Income Housing Coalition's state coalition partner in Maine.

MAHC is a dues-paying membership organization that generally meets every other month at varying locations around the state.

This year, we will be advocating for improved state and federal housing policies, working to protect and grow funding for key housing programs, and improving information-sharing among housing organizations through MAHC's coalition building activities.

Why You Should Join MAHC:

- Strong advocacy on state and federal housing policy issues
- The opportunity to have a real impact on key state and federal public policies
- Timely information on current affordable housing topics
- Networking and information-sharing opportunities for your organization
